

WINDOW ON LINDOW ART TRAIL

Lindow Moss is a wild landscape - for your own safety please follow these five golden rules:

- 1. Keep to established footpaths.**
- 2. Wear appropriate clothing and footwear** for the weather – hot or wet! Some areas of the trail may be wet and you are advised to wear wellington boots.
- 3. Keep away from all ditches, open water and wet peat;** many are deep and potentially dangerous.
- 4. Be aware that the site is fairly isolated and watch out for one another.**
- 5. No smoking or open flames.** Major fire risk in dry weather.

Please note that Art Trail route has uneven ground underfoot and may not be suitable for people with impaired mobility.

Art exhibitions are on at The Wilmslow Guild and a film of the Trail is being made as alternatives. Path improvement work is being planned.
